in an effort to ensure that all u s students are equally prepared for college and careers new academic standards for kindergarten through 12th grade have been

established and adopted by nearly every state. This guide to the common core standards helps parents, students, teachers, and administrators understand the details of this historic initiative, an outline of what makes these standards different from previous statewide standards, a grade-level breakdown of the standards for English, math, and other subject areas, details of how students' learning will change under the common core, ways parents can help students at home, information on the assessments that students will take, and answers to the most commonly asked questions are all included.

College admission is the ultimate user's manual and go-to guide for any student or family approaching the college application process. Featuring the wise counsel of more than 50 deans of admission, no other guide has such thorough, expert, compassionate, and professional advice. Let's be honest: applying to college can be stressful for students and parents, but here's the good news: you can get in. Robin Mamlet has been dean of admission at three of America's most selective colleges and a journalist, and parent Christine Vandeveld has been through the process first-hand. With this book, you will feel like you have both a dean of admission and a parent who has been there at your side. Inside this book, you'll find clear, comprehensive, and expert answers to all your questions along the way: to an acceptance letter, the role of extracurricular activities, what it means to find a college that's the right fit, what's more important: high grades or tough courses, what role does testing play, the best candidates for early admission, when help from parents is too much, help/advice for athletes, artists, international students, and those with learning differences, how wait lists work, applying for financial aid. This will be your definitive resource during the sophomore, junior, and senior years of high school.
