international financial reporting standards ifrs are now mandatory in many parts of the

world including europe australia and china in addition many countries are in the process of ifrs adoption lastly foreign registrants in us companies no longer have to undertake a costly us ifrs reconciliation therefore it is clear that investors analysts and valuers need to understand financial statements produced under ifrs to feed in to their valuations and broader investment decisions written by practitioners for practitioners the book addresses valuation from the viewpoint of the analyst the investor and the corporate acquirer it starts with valuation theory what is to be discounted and at what discount rate it explains the connection between standard methodologies based on free cash flow and on return on capital and it emphasizes that whichever method is used accurate interpretation of accounting information is critical to the production of sensible valuations the authors argue that forecasts of cash flows imply views on profits and balance sheets and that non cash items contain useful information about future cash flows so profits matter the book then addresses the implications for analysis and valuation of key aspects of ifrs including pensions stock options derivatives provisions leases the text also sets out which countries use gaap as well as the key differences between ifrs and us gaap treatments of these issues in addition to their implications for analysis a detailed case study is used to provide a step by step valuation of an industrial company using both free cash flow and economic profit methodologies the authors then address a range of common valuation problems including cyclical or immature companies as well as the specialist accounting and modelling knowledge required for regulated utilities resource extraction companies banks insurance and real estate companies accounting for mergers and disposals is first explained and then illustrated with a detailed potential acquisition using real companies

the globalization of financial markets worldwide has progressively pushed toward simultaneous globalization of accounting information thus during the last 50 years categories of preparers users and regulators have devoted their efforts to support the global comparability of financial reporting aiming at favoring the comparison of corporates financial performances at a cross country level in the same vein iasb national standard setters and jurisdictions have participated in and given momentum to this process at the same time academic research has followed this process and tried to build a theoretical framework to address the related issues to assess the impact on preparers users and regulators while defining hindrances and obstacles to the comparability of financial reporting especially in an ifrs environment in this context this book reviews research studies on the comparability of financial reporting at a global level as well as highlights empirical analyses that demonstrate the extent to which global comparability has been

achieved and how it enhances value relevance of earnings across countries it also looks at the cross country investors perspectives by shaping the empirical analysis to provide further insights on the role of the big four auditing services in enhancing the comparability of earnings the book provides an original contribution to the current debate about the comparability of financial reporting under ifrs and will be useful for researchers in the field

core concepts contemporary ideas outstanding innovative resources to succeed in your business studies you will need to master core finance concepts and learn to identify and solve many business problems learning to apply financial metrics and value creation as inputs to decision making is a critical skill in any kind of organisation fundamentals of corporate finance shows you how to do just that berk presents the fundamentals of business finance using the valuation principle as a clear unifying framework throughout the text its many applications use familiar australian examples and makes consistent use of real world data this australian adaptation of the highly successful us text fundamentals of corporate finance features a high calibre author team of respected academics the second edition builds on the strengths of the first edition and incorporates updated figures tables and facts to reflect key developments in the field of finance for corporate finance or financial management students at undergraduate or post graduate level

Die von den deutschen Lebensversicherern angebotenen Lebensversicherungsgeschäfte spiegeln sich in ihrem IFRS Konzernabschluss zum einen in aktivischen Finanzinstrumenten und zum anderen in passivisch abgebildeten Lebensversicherungsverträgen im Rahmen des Asset Liability Managements ab. Stimmen die Lebensversicherer die Zahlungsströme aus den Finanzinstrumenten mit den Zahlungsströmen aus den Lebensversicherungsverträgen ab, bisher bilanzieren die deutschen Lebensversicherer Finanzinstrumente nach IAS 39 und Lebensversicherungsverträge nach IFRS 4 Phase I mit Rückgriff auf HGB oder US GAAP. Jedoch entstehen hieraus bilanzielle Ansatz- und Bewertungssinkonsistenzen (Accounting Mismatches). Die Versicherer müssen ihre aktivischen Finanzinstrumente für ab dem 1.1.2021 beginnende Geschäftsjahre nach dem neu entwickelten IFRS 9 bilanzieren und ihre emittierten Lebensversicherungsverträge für ab dem 1.1.2021 beginnende Geschäftsjahre nach dem neu entwickelten IFRS 17. Diese Entwicklung nimmt der Autor zum Anlass, um zu konkretisieren, wie die deutschen Lebensversicherer ihre aktivischen Finanzinstrumente nach IFRS 9 und ihre passivischen Lebensversicherungsverträge nach IFRS 17 bilanzieren müssen. Hierauf aufbauend wird analysiert, ob den Abschlussadressaten nach IFRS 9 und IFRS 17 entscheidungsnützliche Informationen über das ALM der deutschen Lebensversicherer vermittelt werden. Dies ist der Fall, wenn das Periodenergebnis der Versicherer nach den beiden neuen Standards weniger durch Accounting Mismatches verzerrt wird als nach IAS 39 und IFRS 4 Phase I. Abschließend werden drei Möglichkeiten dafür diskutiert, IFRS 9 und IFRS 17 zu ändern, um zu verbessern, wie das ALM der deutschen Lebensversicherer künftig bilanziell dargestellt wird.

The most practical authoritative guide to GAAP updated for 2009. The complexities of financial reporting which for too many preparers, auditors and users were only revealed through the exposure of scores of occurrences of reporting fraud in recent years demand a reliable, readable GAAP resource. Wiley GAAP 2009 provides in-depth coverage of the most recent developments and analyses of all U.S. generally accepted accounting principles (GAAP), explaining the original highly technical pronouncements in easy-to-understand terms and with copious practical implementation guidance. Unlike other guides, Wiley GAAP 2009 offers complete coverage of all levels of GAAP in a single volume, including EITF issues that have not yet been reduced to consensus, as well as EITF Appendix

d discussion matters featuring numerous real world examples illustrations and helpful practice hints that are extremely user friendly wiley gaap 2009 addresses all effective pronouncements including fasb statements of financial accounting standards sfas fasb interpretations fasb technical bulletins fasb statements of financial accounting concepts fasb staff positions fsp consensuses of the fasb s emerging issues task force aicpa statements of position accounting research bulletins accounting principles board opinions aicpa audit and accounting guides as preparers auditors and financial statement users demand guidance about accounting procedures they can trust they know they can depend on the number one gaap resource wiley gaap 2009 the title that for twenty five years has provided them with the indispensable tools accounting professionals have needed
